

PingFederate®

Java Integration Kit 2.5.1

Access Online Documentation

Please use the links below to access online documentation for the PingFederate Java Integration Kit:

- See the [User Guide](#) for information on installation and setup.
- See the [Startup Guide](#) for information on using the sample applications.
- See [Release Notes](#) for new features, known issues, and other testing information.

You can also download the *User Guide* as a PDF from any page in the online version of the documents.

Complete documentation for all PingFederate products is available under [Product Documentation](#) at pingidentity.com.

Get Product Support

- For problems with deployment, installation, or configuration, please visit the Ping Identity [Support Center](#) (pingidentity.com/support) where you can search the Support Knowledge Base and explore other Support options.
- To post questions and review solutions submitted by other customers, use the Support Center's [discussion section](#) (pingidentity.com/support/answers).
